

# PSYTRANCE MUSIC PRODUCTION

26-29 SEPTEMBER 2024

LEARN HOW TO SIGNIFICANTLY IMPACT  
THE PSYCHEDELIC MOVEMENT

**Boom Festival** is a psychedelic festival and psytrance is part of our DNA. We are happy to announce the first edition of a new course: **Psytrance Music Production**. Immerse yourself in psytrance production techniques alongside **international artists** and learn how to significantly impact the psychedelic movement.

The most exciting part is that one lucky participant will get the chance to perform at Boom Festival 2025!

# PSYTRANCE MUSIC PRODUCTION

## RELEVANT INFORMATION

**Dates:** 26-29 September 2024

**Location:** Boomland, Idanha-a-Nova, Portugal

**Participants:** 30

**Tutor:** E-Clip (with other international professionals from the psytrance scene)

**Accommodation:** Dorm.

You can bring your caravan but please let us know beforehand, the spaces are limited. If you prefer a hotel, we can suggest some in the Boomland surroundings (at the student's expense).

**Food:** At Boomland canteen (Vegetarian, vegan and conventional options)

**Level and Tech:** Since you might be playing at Boom Festival 2025, you need to have some experience in production.

**Perk:** The most exciting part is that one lucky participant will get the chance to perform at Boom Festival 2025!

To make it easier for the workstations, you need to bring your laptop, headphones and software for a better workshop. Thank you for your interest and we look forward to hosting you at the sacred Boomland to co-create the next chapters of psychedelic trance music.

If you have any questions please feel free to contact us to:
